AIR CONDITIONER

Our present air conditioner was installed while President Lyndon Johnson was in office (1964). It works very well - timely maintenance, good cleanings etc.... However, like any old machine, it needs to be treated gently. At weekday masses we will not be using it. This time last year the electric bill for the church was **\$2,575.13** for the month of July. Several weeks ago our special Air Condition envelope brought in **\$227.00**. You'll also notice special envelopes at the entrances to the church for those not register and want to make a donation.
